

Advait Digital / Advait Teleservices

AI WhatsApp Auto-Reply Content Bank - English + Hindi + Marathi

Purpose

Use this PDF as a non-editable companion to the Word file. For actual AI setup and manual pricing, update the Word file first. The AI must not invent prices; use [PRICE_TO_BE_ADDED] until final rates are filled.

AI Reply Rules

- Reply in the same language used by the customer.
- Collect name, business name, city, requirement, quantity and callback time.
- Never quote a price unless the manual price field is filled.
- For WhatsApp API, mention that Meta conversation credit/charges may apply separately.
- For GPS/CCTV, ask for installation city and site details.
- For campaign services, ask for volume, target location, content and data availability.
